Friday 6th September 2024

Dear parents and carers,

It has been an absolute joy to welcome back our pupils from last year and just as wonderful to say hello to all our new pupils. It has been a busy start to the term, with Year 5 already having made an apple crumble, Year 1 have been having great fun at forest school and as I have walked around the school I have seen the amazing work the children are doing already! Jan Sanchez (our chair of governors) had a walk around the school on Thursday morning and commented on how calm all our children were, working hard and engaged in their learning. We are looking forward to an exciting term on our Fire and Ice project across the school, and the details of curriculum for each class will be in the curriculum letter. Our staff and pupils are ready to soar this term and I can't wait to share the exciting work the children will be completing. Everyone at St Lawrence hope all the children and families have a lovely weekend and we look forward to our first full week back on Monday.

Year 5 wrote memories of their school holiday down on paper this week, turned it into an aeroplane, let it soar across the playground in the sunshine and shared everyone else's stories of summer!

A happy church school that nurtures the unique talents of individuals and brings them together so that 'they will soar on wings like eagles' (Isaiah 40:31)

Year 5 had a lovely introduction to Autumn this week, scrumping for apples from the school trees then putting them in a crumble which was enjoyed by the whole class! The children practised their knife and peeling skills, made the crumble themselves and added some seasonal fruits to create a very tasty pudding. What a great start to the term!

This weekend is the open day for the **Leamington and Warwick Model Railway Society**, and our own Mr Snook will be there on the Saturday exhibiting his own model railway (he'd love to see you there)! The society invites all St Lawrence pupils and parents to attend for a weekend of superb displays and engaging activities. An official opening ceremony for the new club rooms will be conducted on Saturday afternoon by special guest and society president Pete Waterman (think Kylie, Rick Astley, Jason Donovan, Bananarama, Cliff Richard etc). See you there!
